Dear Parents,

The KES Girls Division will be running an exciting summer review program in order to encourage continued *Tefilla*, Learning and *Chesed* throughout the summer. Every day that your daughter davens, does an act of *chesed* or completes/reviews some of her Summer Review packet from her *Morah*, she can put the corresponding sticker on her chart. When she returns to school, she will be able to earn a prize based on how many stickers she earned. Parents should initial each sticker placed on the chart. Each sticker is worth two points. By utilizing this program, your child will *IY*"*H*, with minimum effort, retain the wealth of knowledge and skills they have acquired this year.

Incentives to encourage the children to participate are in place.

- Students who earn between 150-248 points will be able to choose a fuzzy pen or a cute keychain.
- Students who earn between 250-348 points will be able to choose an art set from Paint Miami or an ice cream gift card.
- Students who complete the majority or all of the summer review packet and have earned at least 350 points will be invited to an in-school celebration with an art activity!

Please avail yourself of this golden opportunity. The enhancement to your child's future learning through this program is inestimable.

Have a wonderful and productive summer!

With all best wishes,

Rabbi Kalman Baumann Mrs. Miriam Deitsch Mrs. Devorah Heisler

Mrs. Dana Brecher Mrs. Miriam Cohen Mrs. Carol Fried Mrs. Batya Kahn Miss Chaviva Kaiser Mrs. Chana loffe Mrs. Esther Ouaknin Mrs. Rosalie Rosenbaum Mrs. Esta Rosenberg Dear 3G-3 Girls and Parents,

It has been such a wonderful year of growth and learning together as a class. Each girl has grown tremendously throughout the year. It is beautiful to see just how many different skills the girls have attained! In Tefilla, we learned the entire Shemone Esrei – how to read, translate and understand what we are saying. Each day we said Birkas Hamazon, Al Hamichya and/or Borei Nifashos after eating. **Please continue to daven and bentch each day throughout the summer.** 

In Chumash, we completed Parshas Vayeira and Parshas Chayei Sarah and began learning Parshas Toldos! We have learned many new Shorashim, Milim and how to identify many prefixes and suffixes. These skills made it easier to learn Chumash and translate passukim independently. We learned how to identify and read Rashi letters as well as discovering and understanding Rashi's question and answer. In Dinim, we learned about all the Yomim Tovim as they came up throughout the year. We spent time during Sefiras Haomer working on our Yedios HaTorah, Torah knowledge.

We practiced writing in Hebrew script as well as reviewing all the Kriah rules. As Hebrew reading is the foundation of Hebrew learning, it would be very beneficial for you to practice throughout the summer. Please listen to your daughter as she reads to help correct any mistakes. This packet is a compilation of resource review sheets as well as some written review sheets. **It is advisable to do a little bit each day throughout the summer and not to complete the entire packet all at once**. Therefore, there is a checklist attached that breaks down the review into smaller sections. In addition to this packet, your daughter can review Passukim from inside a Chumash as well as her Shorashim, Millim and Dikduk flashcards.

By completing this packet, you will enter 4<sup>th</sup> grade with more confidence that you are ready to move on! Each day that you review Kriah, Shorashim, Millim, Dikduk skills etc, you can put a sticker on your Summer Review Chart! You can also sign this packet in order to keep track of what has been done. I would love to hear from you throughout the summer – feel free to email with any questions or just to let me know how it is going - <u>dheisler@ytcte.org</u>

It has been my privilege teaching you girls this year! Have a great summer! I will miss you.

Love,

Mrs. Heisler
