Dear Parents,

Summer is a great time to recharge and rejuvenate. It is a long stretch in the life of a child, and it's extremely important for students to review over the summer in order to retain what they learned during the school year. By utilizing this program, your child will, IY"H, with a minimum of effort, solidify the wealth of learning skills that he has mastered over the past year. There is also a strong Chinuch message about the importance of Torah learning even when we are not in school.

This packet contains material prepared by your son's Rebbi for review over the summer. The 1st and 2nd grade packets are primarily focused on Kriah as this is the most foundational skill for all future learning. Older grades are more focused on material learned this year. The packet does not have to be used for the summer learning but it is encouraged.

The boys are being offered incentives to motivate them to participate in this summer learning program. More days of learning will get the boys to higher levels of prizes. See the attached calendar and prize catalog for more information. For a day to count, boys in 1st and 2nd grade need 3 - 5 minutes of adult supervised Kriah, and boys in older grades need 10 minutes of Torah learning.

Please avail yourselves of this golden opportunity. The enhancement to your child's future learning through this program is inestimable. If you have any questions, please reach out to your son's Rebbi.

Have a wonderful and productive summer!

With all best wishes,

Dear Parents,

I had a wonderful time teaching your son this year! Enjoy the opportunity to review the skills that he has put much effort into this year. Below is an explanation of the material found in this packet.

If your son would like to receive credit, please initial the appropriate box when he completes each task. He will be asked for the completed packet at the start of fourth grade.

- 1. Shorashim, Milim and Dikduk - your son must spend 3 minutes reviewing the words/dikduk/shorashim from the lists provided. He may also play the Quizlet Match game for those words for 3 minutes.**
- 2. Kriah - Your son must read at least ten Pesukim from Tehillim to earn an initial. If possible, someone should listen as he reads.**
- 3. Rashi Letters - Your son must read correctly one line from the sheet provided in order to earn an initial. Each time he should read a different line.**

Please feel free to reach out with any questions.

Have a wonderful summer!

I will miss you!

Your Rebbe always,

Rabbi Zohn
