Summer 2023

Dear Parents and Talmidim,

We hope all is well and you are enjoying your summer.

As we sit in our lonely offices preparing for the new z'man, we look forward with excitement to greeting our new Talmidim and welcoming back our returning Talmidim. We miss the boys.

While you refresh yourselves with a well-deserved summer break, we are refreshing the Yeshiva. The new Beis Medrash is finally complete and already set up for the first day of Yeshiva. The dining room, soda machine room, and hallways have been stripped down and are being renovated. You will be amazed when you see the stunning new look. Professional development sessions are planned for the staff and new exciting programming and limudim are in the works.

Please take a few moments to thoroughly read through the handbook. There are many important pieces of information that may not be shared with you in any other forum. We ask that you familiarize yourself with the school dress code and use your time during the summer to properly prepare for school. Enjoy the rest of your summer. We look forward to greeting all students on Aug 29th, the first day of classes, and all parents on Sep 6th at the Back To School Night.

Please feel free to be in touch if there is any way we can be of assistance.

Sincerely,

Rabbi Yehuda Bergida
