Dear Parents,

We put much work into creating the yearly school calendar, as we try to balance the needs of our families, the in-town students, the out-of-town students, and everyone involved in the chinuch of our Talmidim.

There is one particular aspect of the calendar that we feel the need to discuss in light of the feedback we receive from parents and students.

We very much value the need of our Talmidim to have an extended Winter Break, as it gives everyone a chance to relax after a long semester. We also very much value the importance of Limud HaTorah and what the Talmidim accomplish each day here at Yeshiva, and don't want to extend the vacation beyond what is needed. Each Yeshiva needs to find the proper balance between these two important values for their Talmidim.

As we have done in the past, we are aligning our Winter Break with the other divisions of YTCTE to make it as convenient as possible for our families, while at the same time giving off a bit less than the other divisions. Consequently, we will begin our Winter Break on Monday, January 22nd, at 1:15 PM. We recognize the needs of some of our families to use the full week as a chance to spend time away together, and as such we officially designated make-up dates for the semester exams that are scheduled for Monday, January 22nd. If your entire family is going away and needs to utilize the extra day or two that the other divisions designate for vacation, please email one of the administrators in advance of Winter Break, and your son will be excused from taking the midterms on Monday, January 22nd. As the calendar indicates, the make-up exams will be administered during set times on the week after vacation. We hope this makes it easier for everyone.

Thank you for your understanding,
