TORAS EMES

Yeshiva Toras Chaim Toras Emes is one of the largest *yeshivos* in the Southeast, with over 900 students in our five divisions, from Junior Pre-K to Bais Medrash. The diversity of backgrounds of our student body, as well as the broad range of learning styles embraced by YTCTE make our school a unique environment for all to participate in the beauty of Torah.

For over three decades, we have been proud to offer an outstanding education in both *Limudei Kodesh* and Secular Studies, integrated with the goal of fostering and internalizing a love and appreciation for the richness of our *mesorah*. Our *talmidim* carry these values into their adulthood, which inspire the *yiddishkeit* in their own homes and future families.

דרך ארץ קדמה לתורה

Teaching the importance of **respect for others**, as well as giving back to the community, is integral to a proper Torah education and is of paramount importance at YTCTE. Our *hashkafa* embraces a strong emphasis on *midos* and *chesed* with opportunities for personal growth throughout each year.

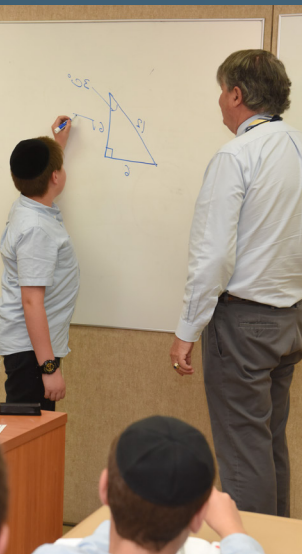

UNIQUE LEADERSHIP:

Growth in Mind

The uniqueness of DACHS centers around our passionate, inspired *rebbeim* who envision and infuse excellence within every *talmid*. They pursue opportunities to be involved in their students' lives, building meaningful, lifelong connections and **positive, memorable experiences**. Their drive for excellence shines in their interactions with *talmidim*, as they impact our next generation. All of our *rebbeim* and faculty meet our rigorous hiring standards, and work seamlessly alongside our administrators. **This ensures that the level of educational excellence grows together with us, year after year.**

We know that giving *talmidim* the opportunity to appreciate their strengths brings out their best, while challenging their weaknesses encourages growth. Providing leveled classes gives students on both ends of the spectrum **a top-rate education.**

Engaging the whole person throughout their time with us by challenging them academically, socially and emotionally creates **the ultimate environment for realizing potential, and fosters a passion for our *talmidim* to grow into future leaders.**

DR. ABE CHAMES

High School

Located in North Miami Beach on a private, three-acre campus, DACHS provides an intensive program of לימוד התורה combined with outstanding college-preparatory academics for *bochurim* seeking a strong foundation for their future.

Our Yeshiva offers an honors שיעור at each grade level for highly motivated *talmidim* looking to *shteig* and excel in their learning. This includes an emphasis on עיון, with advanced שיעורים, monthly וועדים with one of the *Roshei Yeshiva*, and extended daily שיעורים with a powerful *ruach* of התמדה.

Although Torah studies are the primary focus in the Yeshiva, we also maintain the highest standards of excellence in our Secular Studies department. DACHS is proud to offer regular and honors classes in every subject for every grade, with many students earning AP credits. Higher level math and science classes, emphasis on writing skills and the training of students on all levels to analyze and apply their knowledge have resulted in excellent standardized test scores for our students. Our track record of Commended Students, Semi-Finalists and Finalists, year after year, in the National Merit Scholarship competition, and the large number of our students who receive outstanding scores on ACT, AP, PSAT and SAT exams are a testimony to the success of our demanding academic program.

The school's rigorous dual curriculum is

enhanced by the warm, engaging *rebbeim* who build close connections with every *talmid*. The camaraderie of the *rebbe-talmid* relationship, and growth-oriented environment, inspire the *talmidim* to realize their full potential, making it the ultimate choice for today's aspiring *bnei Torah*.

With this solid foundation, students have the ability to pursue whatever path they may choose after graduation, and our seniors are poised for acceptance into the finest *yeshivos*, colleges and graduate schools. Additionally, motivated seniors have the option to integrate into our Bais Medrash division. Our spacious dormitory allows this superior *chinuch* to be available to *bochurim* nationwide, as well as from within our own community.

Sharing our campus with Bais Medrash Zichron Ezra provides a unique resource to our high school students. The Bais Medrash *bochurim* serve as mentors and their presence adds to the *ruach* of the Yeshiva. On *mishmar* nights, our high school students learn *b'chavrusah* with Bais Medrash *bochurim* to review the *Gemarah* being taught in שיעור.

The students in both the High School and Bais Medrash find this relationship to be rewarding and fulfilling. The Dr. Abe Chames High School is the perfect choice for students looking to learn and grow in a rigorous, yet very warm, environment.

BAIS MEDRASH

Zichron Ezra

For over three decades, Bais Medrash Zichron Ezra has been a premier מקום תורה for motivated young men seeking to grow in תורה and מוסר. The Yeshiva is unique in that it offers its *talmidim* the best of both worlds: the intimacy of small שיעורים with five different levels and the resounding קול תורה of a thriving Bais Medrash. *Talmidim* come from North Miami Beach – and all over North America – to take advantage of our unparalleled *seviva* and solid *hashkafa*.

Bais Medrash Zichron Ezra provides small, interactive שיעורים with close *rebbe-talmid* relationships. The program also offers occasional *pilpul* שיעורים, stimulating bi-weekly *shmuessen*, optional *bekiyus* שיעורים, daily מוסר groups and מוסר וועדים, as well as Thursday night *mishmar*. In addition, *bochurim* have the chance to provide a positive *hashpa'a* on *mesivta talmidim* through high school mentoring and role modeling.

While providing foundational skills to learn and analyze *Gemara* independently, our focus on *mussar* and *midos* cultivates *bochurim* who are caring, sensitive, balanced individuals. Our dedicated *rebbeim* are actively involved in providing the *hadracha* necessary to transform young men into strong, lifelong *bonei Torah*.

The BMZE experience is a valuable opportunity to grow in לימוד התורה and personal development, and BMZE *bochurim* become dedicated members of *klal yisroel* with a lifelong commitment to Torah life, Torah learning and its values.
