

BACK TO YESHIVA

A (mostly) comprehensive list of what needs to get done

Pg1

Finalize tuition arrangement

- Make sure your contract is signed and your payment arrangement is set up at ytcte.org/register
- If you applied to a government voucher program (Gardiner, Step Up For Students, VPK, Family Empowerment, etc), please make sure you've sent the award letters to sufs@ytcte.org

Update your child's Health Record

- Make sure your immunization records are uploaded, and the health portal is completely filled out at ytcte.org/health.
- Families new to Florida:** You need to have your immunization records OFFICIALLY transferred over to Florida immunization forms. This can be done in one of 2 ways:
 - Visit a Florida doctor, who can do it for you. Make sure to take your out-of-state immunization records with you to the doctor.
 - Go to the Florida Department of Health - Immunization Health Department to get the forms transferred for free. Appointments can be made at 305-575-3800 in Miami Dade or 954-467-4700/954-767-5111 in Broward. (Broward has many locations available and faster service.) This is a good option for those who do not yet have a Florida doctor or insurance coverage.

High School dorm students and families new to Florida have an extension of **up to 30 days** from the first day of Yeshiva to submit their Florida immunization records. In the meantime, we still need your child's health information on file! Please upload your out-of-state forms, and the Director of Records will contact you.
