### CALLING ALL COMMUNITY MEMBERS

Toras Emes needs your help at a public hearing this coming Monday evening. See flyer for details.

### DON'T DROWN IN YOUR CARPOOL!

We are blessed with so many students, and therefore, many, many cars attempting to drop off their children between 7:55 and 8:08 each morning.

We ask all parents to follow these guidelines:

1. Stay in line and move forward to the front of the line whenever possible. If the security guard waves you to go ahead, follow his instructions and proceed with caution.
2. Never drop the children off north of the open rolling gate by our parking lot. It is extremely dangerous for them to walk unsupervised past the active driveway.
3. Never block the driveway into the parking lot.
4. The driveway into the parking lot is one-way in during arrival time and is to be used only by teachers and Middle School carpools. Parents needing to leave their cars should park on or near the grassy area beyond the school building near 163 Street.

### WHAT'S YOUR NUMBER?

It is vital that the school office has all your current telephone numbers. Please call the office immediately if any of your numbers have changed, especially cell phones, which tend to change more often.

5. Your passengers should exit your vehicle as quickly as possible. Long goodbyes, signing of notes etc. cannot take place on the carpool line. Never leave your car unattended on the carpool line.
6. Drive away from the carpool line as soon as your passengers have disembarked.
7. Give yourself an extra couple of minutes, be patient and keep your cool! Thank you!

## KEEP IN TOUCH

To contact Rabbi Baumann or Dr. Lerer via e-mail:

## UNIFORM REMINDERS

Please be reminded of the following uniform policy in effect for all elementary girls:

**Socks must reach above ankles.** No low cut socks are allowed. It is not enough to have socks that are visible over the tops of the shoes - the socks must completely cover the entire ankle bone. Your cooperation is appreciated in complying with our policy.

## DON'T DEHYDRATE

Due to the hot, humid Florida weather, we are insisting that all students bring a water bottle to school with them on days that they have PE. Thank you for your cooperation.

## TARGET STORES – TAKE CHARGE OF EDUCATION PROGRAM

This year we are continuing our Target Stores – Take Charge of Education Program. By signing up, you help our school raise money effortlessly and enrolling is simply a breeze! **If you already have a Target Guest Card**, just call 1-800-316-6142 and sign up to have Toras Emes receive a donation every time you make a Target Card purchase at the store. If you do not currently have a Target Card, you can pick up an application at any Target Store.

This program really works! Last week we received a check for \$30 thanks to our parents who are already enrolled in this program. Please consider helping the school in this way.

## DIKDUK TESTS

Standardized Dikduk tests were administered this week to all students. Students who receive a high mark on this test **AND** worked diligently completing the summer review program will receive their rewards shortly.

## CALLING ALL MOTHERS

The Parents' Association is requesting volunteers to act as class mothers for this school year. If you can help please call Mrs. Esta Rosenberg at 305.651.0115. (Qualified fathers can apply as well!)

## OLOMEINU MAGAZINE AND BINAH BUNCH - ORDER NOW!

Olomeinu Magazine, published by Torah Umesorah, has informative, wholesome, well-written Torah material, suitable for all, from age 5 to 105. The popular Binah Bunch Magazine is also available on a weekly basis. Order forms were sent home today. The deadline is this Monday in order to receive the first issue of either, or both, magazines. Don't miss out!
