BE A T.E.A.M. PLAYER!

We have S.T.A.R. Students (Student Achievement Recognition) for inside the classroom and beginning next week, we will have T.E.A.M. Players (Teamwork, Encouragement, Attitude, Midos Tovos) for the playground. All students have been deputized to be on the lookout for good sportsmanship on the part of their classmates during Recess and PE. Each week's newsletter will list the names of those students chosen by their classmates for an outstanding act of good sportsmanship during the past week. Those who notice and report these positive behaviors will be entered into a raffle each week for a nice prize. We want our students to shine inside and out (the building)!

KOL YAAKOV CAMPAIGN

We launched a Chessed project at our mini assemblies this past Wednesday. Initiated by the Chofetz Chaim Heritage Foundation, the goal of the project is to encourage our students to contact by phone, personal visit or letter, older people such as grandparents and neighbors and to bring a smile to their face. It is a wonderful Chessed and a good training in positive communication. Packets were sent home Wednesday. Please be encouraging - and set a good example!

TV CONTROL WINNERS DAY

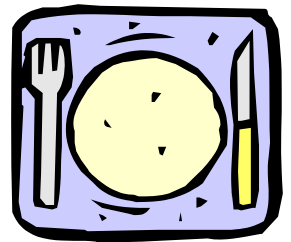

Our T.V. Control Winners Day will take place, I"YH, on Monday, January 11. There will be a BBQ lunch and special activities for all children who completed both the Aseres

Yimei Teshuva and Chanukah T.V. Control programs. Students participating in the event do not need to bring lunch on Monday, nor do they need to wear school uniform! (Shorts, however, are not allowed and all clothes must conform to Toras Emes' standards of Tznius.) The lists of eligible participants have already been posted. Check to make sure you're on the list if you're eligible.

HOT LUNCH PROGRAM CYCLE III

Oder forms for the third cycle of our Hot Lunch Program were distributed on Monday. Please be sure to return the completed form, along with payment, by Monday, if you have not already done so.

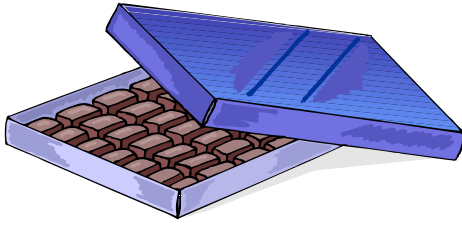

PROJECT DERECH

This week's theme of the DERECH program is "Reporting Back." We learned about the importance of getting back to someone who sent us to do something.

Mazel Tov to our DERECH Donut Raffle winners! Debbie Nash and Orel Zaig will receive their prizes next week.

PESACH CANDY SALE

If Chanuka is over, can Pesach be far behind..?! Our Annual PesachCandy Sale begins

this coming week. The children will be receiving their packets and information on Monday. All the information the parents need to know will be included. We encourage everyone to participate and help us surpass our previous successes!

REGISTRATION 2010-11

In anticipation of registration for the next school year, which will open shortly after the vacation, and in view of the fact that many classes remain at capacity enrollment, it is important to bear in mind the school policy that has been in place for several years:

Registration cannot be completed until all fees are paid and the give or get requirement for 2009-10 is fulfilled. Space in the class can be assured only to those families who complete registration and are current with all tuition and fees for this current school year.

LOST AND FOUND

Now is a great time for you to claim your belongings from our overflowing lost and found boxes. We have made an effort to return all items that were labeled to their rightful owners, however, many sweaters, jackets, and lunchboxes remain. **Please remember to label your children's outerwear and lunch boxes before they are sent in to school.**

CHEVRA KADISHA CLASSES

The first of our annual review classes is being conducted for Roshim and experienced Metaharim on **Wednesday, January 13**. The class is for men and women and takes place from 8:15 - 10:00 PM. It will be held at Levitt-Weinstein Chapels, 18840 West Dixie Highway. A basic class, covering the essentials for regulars and newcomers, will be held after Pesach, IY"H.

MID WINTER VACATION

School will be closed from **Sunday, January 24 through Sunday, January 31**. Regular sessions will resume at 8:00 AM on Monday, February 1.

Dear Parents,

The *Brachos* (blessings) that *Yaakov Avinu* bestowed upon his sons, as discussed in this week's *Parsha*, also include some significant criticism for their temperaments and character makeup. *Chazal* point out that *Yaakov Avinu* waited to critique his sons until he was on his deathbed out of fear that they would be so put off by the criticism, that had he spoken to them earlier in his life they might have left him altogether. Apparently, that would not be the case at the very end of his life.

How frightening a thought! Is it not the parent's responsibility to criticize their children? If the greatest people ever – the twelve sons of *Yaakov* couldn't handle criticism appropriately, how can we say anything negative to our children?! And if we can't criticize, how will our children ever learn to do what's right?

The answer to this important dilemma can be stated simply that there is a world of difference between criticizing a person's essence, and guiding someone to the proper behavior and values. *Yaakov* was pointing out flaws in his sons' essential character, improper *Midos* that require a lifetime of work to correct. If someone is not on the proper *Madreiga* (level) to accept the challenge, he could be turned off altogether. Our role as parents is not to pass judgment on our children's character, and certainly not to share that assessment with them. We are to guide them.

When your child does something inappropriate, even if it's to act dishonestly, or to use foul language, the appropriate response needs to be directed towards the behavior. Never say "you're a bad boy" which is judging his essence and generalizing one action to pass judgment over who he is. Rather say "that was a bad thing you did." We guide behavior and steer it towards a more appropriate way of acting – whether our children are seventeen months or seventeen years old. To a child who drops and spills things frequently, never say "you're so clumsy" but do point out the need to focus on what you are doing, and how to hold things better. You may withhold the right to pour or hold certain items, until the child can show more responsibility in handling it.

When we label children for misbehaving, they believe what we say. A great child psychologist, the late Dr. Haim Ginott put it well; "Labeling is Disabling." They will behave in a way that proves us right – which is the exact opposite of our intention.

If we recognize the tremendous power we have over our children, especially in how we shape their attitudes, perceptions and feelings of self-worth, we'll realize how essential it is to reformulate our speech patterns and always talk about what they do, not who they are. The only time we should address the totality of our children, is to let them know how precious they are and how much we love them for who they are.

Have a label-free Shabbos!

Research Club

- What was the name of the rocket that launched the Apollo spacecraft to the moon?
- Who, at age 36, was the youngest person ever to serve as Vice President?
- Most birds have four toes on each foot. What is the only bird that has two toes on each foot?

These are some of the questions our student researchers have to answer.
How did you do answering them?

Congratulations to the students below who have reached new milestones!
Keep looking it up!

3G Is Ready for Canteen and Will Be On Time

We have been working hard to learn to tell time and to recognize the different coins and bills. We set up a store and bought various items. We had to figure out the correct change. The magic pencil was the top seller. We are so sorry it wasn't real. A good time was had by all.
