We are excited to be able to offer the VPK program which saves you a significant amount of money this year. However, in order for us to collect these funds, you are required to sign a monthly attendance form. If the form is not properly signed, we may lose up to \$300 per month per child. The form is in the ECE office and must be signed by June 17th. If you do not sign the form you will be obligated to pay the amount we were not able to collect from VPK toward your (VPK time) tuition.

Thank you for your cooperation and understanding.
