## 10 WAYS TO HELP YOUR CHILDREN HAVE A MORE MEANINGFUL YOMIM NORAIM

1. Explain to your children how Hashem actively seeks ways to forgive, and will forgive them—even if the best they can do is want to do Teshuva.
2. Remind them that Yiddishkeit is not all-or-nothing—that their Aveiros do not invalidate their Mitzvos or diminish Hashem's love.
3. Model the virtue of personal growth by sharing your own goals to improve a particular Mitzvah or Middah, or by working to improve something together with your children.
4. Urge them to privately recall something they wish they could undo, and reassure them that now is their opportunity to erase whatever they regret.
5. Share your personal stories of Hashgacha Pratis with your children to demonstrate Hashem's direct involvement in your family's day-to-day lives.
6. Encourage your children to focus on two or three things they truly appreciate as constant reminders of Hashem's benevolence in their own lives.
7. Sincerely ask your children for Mechilah during the Yomim Noraim to teach that everyone can make mistakes, and is equally worthy of being forgiven.
8. Suggest they undertake a small goal to improve their Yiddishkeit with reassurance that the most proper and effective way to grow is through small, obtainable steps of self-improvement.
9. Make a special effort during the Yomim Noraim to model Hashem's Middah of patience, compassion and forgiveness in your interactions with your spouse and children.
10. Show your children that they are the center of your world. Postpone a meeting or ignore a phone call to make time for them so they'll feel cherished and can comprehend that Hashem, too, considers them the center of His world.

## TV/VIDEO/DVD CONTROL PROGRAM

Letters were sent home introducing the first of our three TV/Video/DVD Control Programs for the year. This program begins Wednesday evening, September 28, *Erev Rosh Hashana*, and will continue through the end of the *Aseres Yemei Teshuva*. The program includes any comparable programming available via the Internet.

The TV Control agreements, which were sent home today, should be signed by each student and a parent and returned to school on Monday.

Calendar sign-in sheets were also sent home today **and should be used to keep track of your child's progress**. The calendars should be initialed by a parent for each day that **your child does not watch TV, videos or DVD's**. The calendars are to be brought back and forth each school day in order to receive a daily TV Control Card and for prize eligibility during each school day of the *Aseres Yemei Teshuva*.

## HASMODA

We will once again be conducting our semi-annual *Yom Tov* learning program over *Sukkos*. We welcome your support of the **children's voluntary learning** by becoming a sponsor as a *zechus* for a *Refuah Shelaima*, or in memory of a loved one. Sponsorships begin at \$50. This contribution helps defray the cost of the incentive prizes for the participants. Please speak with Rabbi Baumann to let him know that you are interested.

### 3G BAKES CHALLAH

In honor of Yom Tov, Mrs. Cohen and Mrs. Hirsch's third grade girls enjoyed a day of baking. The girls measured ingredients and kneaded their own dough. They shaped their loaves (round for Rosh Hashana) and took home the sweet fruits of their labor to enjoy with their families.
