Hebrew phrases taught this week included:

אבא הולך לבית הכנסת  
אמא עורכת את השלחן

The yeladim also learned several Shabbos songs:

And

## NURSERY - MORAH SUSAN

This week, we concluded our unit on Birds, Bees and Butterflies. We used our creative art skills to make birds and butterflies.

We listened to many stories during library time. Our favorites this week were Have You Seen Birds by Joanne Openheim and Barbara Reid, Owl Babies by Martin Waddell, Butterfly by Susan Canizares and The Berenstain Bears And The Missing Honey by Stan and Jan Berenstain.

This week, the children learned a new song called "Bumblebee, Bumble Bye."

Bumblebee, bumble bye  
Bumble around the great blue sky  
Bumble bee keep away from me  
I remember what you did  
When you flew into town  
I let you sit upon my knee  
And when you sat down- OW!

PRE-KI, II & III- MOROT ETTIE & HEIDI

This week, the letters Taf and Saf were taught. Some of the books that we listened to were Tali's Slippers, Tova's Shoes by Yaffa Ganz and Torah Teddy Learns Colors by Shaindy Shulman. The children are completing their alef-bais books this week and will bring them home after their alef-bais siyum. Vocabulary words that we learned this week include:

תפוח  
תפוחים  
תפוח אדמה  
תפוז  
תפוזים  
תינוק  
תינוקת  
תורה

Our unit on Shabbos was continued this week. We discussed how our mothers and fathers prepare for Shabbos by shopping, cleaning and cooking. Each child had something different to say about their favorite Shabbos meals. We also talked about the concept of muktzah.

PRE-KI, II & III-MOROT JUDY & NECHAMA

This week, the Pre-K children were excited to **participate in their "Around The World" performance.** It was a wonderful, proud event for all those who attended. The children were awarded trophies and other prizes after their spectacular program,

With all of the excitement, the children still found time to work on completing their alphabet letters. This week, they were introduced to the letters "Uu" and "Vv."

Although "Uu" was already a familiar letter that had been taught with the letter "Qq", the children came up with new words that start with the letter "Uu" such as under, umbrella and umpire. Some new "Vv" words that the children sounded out were vulture, voice, vent and vavavoom.

The Pre-K children have been working on completing their end of year albums which are filled with Pre-K school memories.

## KINDERGARTEN I, II & III-MOROT BAYLA AND RENA

We continued working on our Shabbos unit. We prepared havdalah kits to use when saying farewell to the Shabbos Queen. We spoke about the importance of the Beis Haknesses and reviewed the words aron **kodesh, yad, paroches and me'il.**

Mazel Tov! Chazak Chazak-the letters taf and saf were introduced this week. The kindergarten children were so excited to have reached this milestone. We practiced combining our two new letters with the nekudos that we have learned. The favorite word was Toras Emes of course!

For Parashas Shelach, we learned about the story of the meraglim who went to spy on the land of Israel and came back with a negative report. We discussed why the ninth of Av was designated as a fast day. The mitzvos of Shmiras Shabbos and Tzitzis were **stressed in this week's parsha. The children also** learned about the mitzvah of Hafrashas Challah.

We are practicing our graduation parts and songs. We are looking forward to performing on Graduation Day! We know you will be thrilled!

## KINDERGARTEN I, II & III- MOROT BERNEY & HEIDI

This week, the children were filled with zip as **they were introduced to letterbook "Zz," the last in our** reading series. The children are wonderful readers and we are very proud of them.

Over the next two weeks, we will concentrate on learning our addresses and zip codes. The race will be on to see which zip code has the most children. We will even put this information on a graph. Next week, we are going to write letters to our friends, address them and mail them.

Among the books we read were If I Ran The Zoo by Dr. Seuss and Zany Zoo by Norman Bridwell.

In math, we are concentrating on subtraction. We also reviewed the concept of zero in addition and subtraction equations.

**Can you believe that it's almost time for** kindergarten graduation? We are learning and singing **all of our songs. Please practice your child's part at** home. Our school year has gone by so quickly. We can **hardly believe that it's time to graduate.**
