Last week's question and answer:

Where in this Parsha does it talk about ice?

When Yaakov describes his dedication to Lavan, he says he worked for him even when it was very hot during the day and even when there was ice at night.

(מ,לא)

**This week's question:**

Where in this week's Parsha does the number 400 come up?

Extra Credit: Where else in **חומש בראשית** can the number 400 be found?

BOOK FAIR WRAP-UP

Our Book Fair successfully concluded today and we hope all the students enjoyed the opportunity to view and purchase so many new books. We appreciate the classroom donations that will enable our students to enjoy reading throughout the year.

Many, many thanks once again to our chairperson, Mrs. Rachel Breier, to her co-chair, Mrs. Malky Gordon, and to our PTA President, Mrs. Esta Rosenberg, for their efforts in organizing, coordinating and purchasing books and materials for the Book Fair.

We also thank the many parent volunteers who so generously donated their time and energy to the success of this project. *Yasher Koach* to all who participated in this undertaking for the benefit of our students, teachers and the school! Reminder: The Book Fair will be available online for the following week!

THANK YOU!

To Mrs. Rochie Schwartz and Mrs. Rachel Herman who spent time in their sons' classroom this week to level the classroom books. We appreciate your help!

NEWS FROM 3B

Experiential learning is important for our children at KES. The boys in 3B experienced just that, after they read a story about a K-9 police dog and his training police officer. After researching where to locate an actual K-9, Mrs. Scott

was able to arrange a short visit with Officer Chris and his K-9, Alex. He spoke to the boys about his typical day, showed them his unusually equipped K-9 police car, and allowed the boys to pet his dog, Alex. The students were able to compare their story to a real life experience! It was a wonderful opportunity for the 3B boys and they expressed their appreciation by writing individual thank you notes to Officer Chris and Alex after their visit.

NO MORE LATE LUNCHES, PLEASE

In a concerted attempt to avoid interrupting the classes while they are in session and while the children are learning, we ask that all lunches and snacks be sent to school in the morning WITH YOUR CHILDREN. While we understand that there are times when this is not possible, we ask that it be the exception and not the rule. Thank you in advance for your cooperation.

KIDS FOR KOSHER FOOD BANK

The need for basic food items and other daily necessities is

ongoing. Those in need make an appointment to shop, and are not seen by any other shopper. The **Food Bank depends on everyone's participation to help** combat hunger in our community—one meal, one person at a time. For the month of November, the specific items requested are oil, toys, Chanukah candles, canned cranberry sauce, jams and jelly. Keep in mind that all the food must be either OU, Chaf-K, O-K, or Star-K certified, making it suitable for any family. Thank you for your continued help. *Yasher Koach!*
